Ayon CD-1sx

Ayon is pleased to introduce the CD-1sx, a totally new redesign of our already very highly regarded CD-1sc model offering. The CD-1sx is in many respects a ground-breaking CD-Player design with a new advanced technology like a new single-ended 6H30 output stage and DAC. This CD-Player is presenting a new level of musical performance with stunning vitality, clarity, natural warmth, superb dynamic contrasts and besides all of them a superb construction quality. The CD-1sx is one of the finest CD-Player with vacuum-tube output stage in their class.
